

# RACE INFO AND FESTIVAL ITINERARY

Something Wild Festival 2021

30<sup>th</sup> July – 1<sup>st</sup> August

Huccaby Farm, Dartmoor

## Festival Location and Directions

The festival takes place at Huccaby Farm, Hexworthy, Yelverton, Devon, PL20 6SB.

If you are approaching the festival from the A38, you will come via Ashburton and Holne Chase Holiday Cottages. About half a mile before the farm, you pass the Forest Inn pub on your left and then go down a steep hill to a stone bridge.

The camping field is just over the bridge on your left (look out for a sign).

St. Raphael's Chapel, where we are holding the Speakers' Evening, is on your right. About 50 yards past it on your right is a turning to the cow shed where we will have registration, the bar and café.

You can park your car in the field adjacent to the cow shed, opposite the field with camping and the farmhouse. Anyone in a camper van will be parking in the field next to the cow shed.

There are two toilets and a shower on the camping field side of the road. We also have two portaloos just outside the cow shed.

Or install this great free phone app we've found called what3words then enter eating.catching.amazed into it and then click through to Google maps or Waze to navigate there.

## Something Wild T-Shirts

If you ordered a t-shirt in advance, it will be ready for you to collect at registration.

We also have a limited number available to buy on site (£15)

## Kit list

Functional running wear and appropriate running shoes are presupposed for all races  
No special kit is required for the 5k and 10k

## Kit List for the Ultra, Marathon and Half Marathon

It should all fit in a bum bag, camelbak or mini-rucksack.

- 1 litre of water – on both the Marathon and Ultra the maximum distance between water stations is just over 8 miles (at the beginning of the race). For the half marathon it is 5.5 miles.
- Emergency food
- Waterproof jacket
- Mobile phone
- Whistle

## Race Pack Contents

The race pack includes your race number, pins, a coloured wrist band, some vitamin samples from Zooki and a timing chip on a wrist strap.

## Chips and Timing

We are using NFC chip timing for these races. Please put your chip bracelet on your right wrist and your race number on the front of your clothing. We reuse the chips so please place your chip in the plastic boxes at the end of your race.

## Cut-off Times

- Ultra marathon: 10 hours
- Marathon: 7 hours
- Half marathon: 7 hours (walkers welcome!)
- 5k and 10k: 2 hours (walkers welcome!)

The organisers do reserve the right to pull runners out or ask runners to switch to a shorter distance if necessary.

## Course Marking

All races will be well marked out with arrows, bamboo canes, minefield tape, 2m conduit pipes with flags, ground arrows and yellow squares and triangles. However, we still recommend that you familiarise yourself with the main features of the routes by looking at the maps and profiles on the relevant web pages.

## Stepping Stones!

- The ultra and marathon routes involve two lots of stepping stones at Bellever and Huccaby.
- The half marathon has stepping stones at Huccaby
- The 10k has stepping stones at Babeny.

Please exercise caution while crossing the steps. The organisers reserve the right to alter the course in the event of high-water levels which will make the Huccaby Stones in particular impassable. It is highly unusual for the Babeny stones to be impassable.

## Navigation Back-up

We strongly recommend you install the free ViewRanger app on your phone and download your race route for the Ultra, Marathon and Half Marathon.

Also download the OS map or the ViewRanger Landscape map to your phone.

Then, in the unlikely event you go off course, you will be able to see (at a glance) where you are on the map.

The courses will be well marked and checked the morning of the races but we can't entirely prevent course tampering. The ViewRanger routes are linked from the bottom of the map pages below. If you wish to upload the GPXs to a watch it is best to download the GPXs from the desktop version of Viewranger.

## Medals, Prizes and Results

Every finisher will get one of our special handmade wooden medals. Results will be posted live at Webscorer. You can download the free Webscorer app (for iPhone or Android) to your phone and view the results immediately (if the Dartmoor mobile signal allows). Otherwise, we will publish them on our website on Monday.

## Medical Support

First Aid is provided by Devon First Aid. There will be a First Aid Tent at Huccaby Farm but we will also send out first aiders to the course if needed.
